Dear Parents

10th May 2021

Relationships, Sex and Health Education (RSHE) Curriculum

At Springfield Academy we talk to children about what makes a good friend and what a healthy relationship is from a young age. We encourage them to respect themselves and each other and to know how to keep themselves healthy, happy and safe. Those are the underpinning principles of the RSHE curriculum. The content taught is age appropriate and builds on their knowledge and understanding as they mature. Our curriculum overview will enable you to see what is taught when and how this overlaps with our science teaching and the wider curriculum.

The revised RSHE curriculum now forms a legal part of the national curriculum that we deliver at school. It was our intention to invite parents to come in to school to allow us to share information about how we teach this part of the curriculum but unfortunately Covid-19 has meant that we have not been able to do this.

We do still want you to have the information you need and to feel able to ask any questions you might have. We have therefore put the following information on our academy website and ask you to take a few minutes to have a look and then contact us with any questions you might have.

1. Parent Information - link below
