

Team Bancroft- Year 2- Summer 1

Dear Parents and Carers,

I hope you've had a lovely half term break. We have a brilliant half term planned to focus on seaside holidays and how these have changed over the years. Last half term, Year 2 had a great time during the topic 'Zoom to the Moon', where we explored a spaceship crash, made our very own rockets, learnt a lot about Beegu, and discovered the best ways to get to space! Have a look at the class page on the website to see more of this brilliant learning!

Oh, I do like to be beside the seaside, oh I do like to be beside the sea! Have you ever been to the seaside for a holiday? Have you ever been to a different country? Well, let's take a dip into all things seaside! Laying under the golden sun, you can hear the waves crash against the shore, and the seagulls circle to find their next meal.

How have seaside holidays changed over time from the Victorian era to now? What stayed the same? Let's get ready to jump in!

Each week, an adult will listen to your child read in school. They are strongly encouraged to read daily at home. Please help us by logging their home reading onto **GoRead** and helping children build up their gem collection! Children will continue to have access to **Spelling Shed** and **Times table Rock Stars** to practise these crucial skills at home.

This half term, Team Bancroft have PE on **Mondays** and **Thursdays**.

As a team, we will be working hard to help your child achieve their full potential. If you have any questions or concerns, please do not hesitate to come and see us.

Mrs Howell,
Mrs Walker
and Miss
Holloway -
Vine
