

# Team Sherald-Year 1- Summer 2

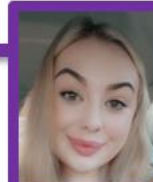

Dear Parents and Carers,

I hope you've had a lovely half term break. Last half term, Year 1 learned lots about Space in our topic "What is the best way to travel to space?" We discovered an alien crash site and they invaded the school! Then we made our own spaceships to help the alien get home safe! During the topic we had an amazing time learning about the different planets and their properties. Have a look at our Class Page on the school website to see more photos of our brilliant learning!

Oh, I do like to be beside the seaside, do you? Have you visited the beach before? Take a peek into the cool water and rest upon the golden sand. Maybe we can kick back in a deckchair and do a little reading. What's your favourite book about the seashore? Got your shorts and sunglasses on? Bucket and spade at the ready? Take a look as we dive into the history of the seaside. How much did The Victorians do to change the seaside? Let's go on an adventure back in time and see their pier! Look it's a Punch and Judy show! How different are seaside holidays now?

Each week, an adult will listen to your child read in school. They are strongly encouraged to read daily at home. Please help us by logging their home reading onto **GoRead** and helping children build up their gem collection! Children will continue to have access to **Spelling Shed** and **Numbots** to practise these crucial skills at home. This half term, Team Sherald have PE on **Mondays** and **Thursdays**. As a team, we will be working hard to help your child achieve their full potential. If you have any questions or concerns, please do not hesitate to come and see us.

Miss Barry  
and Mrs  
Doyle
