

How have seaside holidays changed? Y2

<p>History</p> <p>The seaside has changed a lot over time.</p> <p>In the past, buckets and spades would not have been used. They would have been too heavy as they were made out of metal.</p> <p>People also used to get changed in special bathing machines.</p> <p>Many things are still the same. People still enjoy riding donkeys, walking along the pier and watching shows for entertainment.</p>		<p>History continued</p> <p>There are lots of people who have been influential in making a difference at the seaside.</p> <p>Grace Darling was a lighthouse keeper's daughter, she rescued shipwrecked sailors. She lived from 1815- 1842.</p> <p>The Victorians believed that holidays did not serve the purpose of leisure but were there as a method to improve a person's health.</p>		<p>Geography</p> <p>Physical features are naturally-created features of the Earth.</p> <p>Human features are things like houses, roads and bridges. They have been built by people.</p> <p>Seasides all sit along the coastline.</p> <p>A town is a built up area that is smaller than a city.</p>							
Change		Entertainment		Grace Darling		The Victorians		Coastline		Town	
<p>Music</p> <p>Pitch is high and low sounds. We add pitch to the pulse and rhythm when we sing and play an instrument.</p> <p>Pulse is a steady rhythm like a heartbeat or a ticking clock.</p>		<p>Science</p> <p>We use objects in everyday life made out of a range of materials.</p> <p>Materials can be stretched, twisted and pulled to change their shape.</p>		<p>Art and Design</p> <p>Turner created images of the seaside using watercolours. He focused on expressive art.</p> <p>Goldsworthy makes natural sculptures and land art.</p>		<p>Computing</p> <p>An algorithm is a sequence of steps, instructions or rules that is used to perform a specific task. Algorithms can be followed by people or digital equipment. For algorithms to achieve the end goal, instructions have to be accurate and followed sequentially. Mistakes are called bugs and finding and fixing them is called debugging.</p>		<p>English</p> <p>A non-chronological report is a text that is not written in time order.</p> <p>A narrative is a piece of writing that focuses on telling a story. It's a story with a plot, characters, structure, setting and theme.</p>
