Guidance to Staff, Parents and Visitors

At Springfield Academy we place the highest priority on safeguarding children. To keep all of our pupils safe, we need the support of our school community.

How can you help? Please inform us immediately if you have any concerns about any of our pupils, inside or outside of the academy. Please speak to any of the staff shown above. Your help and support is extremely important to us. If we are made aware of any issues, our trained staff can help to resolve any problems.
